2001 BILL

1 AN ACT to amend 20.923 (1), 20.923 (2) (a) and 20.923 (2) (b) of the statutes;
 2 relating to: the salary-setting procedure for members of the legislature.

Analysis by the Legislative Reference Bureau

Currently, the salaries of state senators and representatives to the assembly are fixed upon recommendation of the secretary of employment relations and approval of the joint committee on employment relations (JCOER) in the same manner that salaries for nonrepresented employees in the state classified service are established. The salaries are fixed without reference to any salary range that is utilized for other positions.

Under this bill, any proposal to adjust the salaries of state senators or representatives to the assembly, upon approval by JCOER, must be submitted by JCOER to the legislature in the form of a bill. If the legislature enacts the bill, the adjustment takes effect. If the legislature does not enact the bill, no adjustment takes effect unless JCOER submits another bill and that bill is enacted.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

11 bill is not enacted, no adjustment may take effect unless the joint committee on
12 employment relations submits a subsequent bill and that bill is enacted. The
13 salary-setting authority of individual boards, commissions, elective and appointive
14 officials elsewhere provided by law is subject to and limited by this section, and the
